## PART I.

### IMPORTANT GOVERNMENT ORDERS.

#### CHIEF SECRETARIAT.

**Report on the Administration of Scholarships for the Backward Classes during the year 1924-25.**

READ—

Letter No. C. 5029—24-25, dated 1st—4th April 1925, from the Inspector-General of Education, submitting a report on the administration of scholarships for the Backward Classes during the year 1924-25.

( \* Printed as annexure.)

ORDER No. E. 6898-9—EDN. 46-24-35, DATED 27TH MAY 1925.

Recorded.

B. RAMASWAMAIYA,

Offg. Chief Secretary to Government.

#### ANNEXURE.

*No. C. 5029 of 24-25, dated 1st-4th April 1925, from K. Matthan, Esq., B.A., Inspector-General of Education in Mysore, Bangalore, to B. Ramaswamaiya, Esq., B.A., B.L., Chief Secretary to the Government of His Highness the Maharaja of Mysore.*

Adverting to para III 2 (f) of Government Order No. E. 5030-3—Edn. 142-21-41, dated 17th February 1923, requiring the submission of a report on the working of the Scheme of Backward Class Scholarships of the several grades in the State, I have the honor to submit herewith for the perusal of Government, a detailed statement showing the number of scholarships available, applications received, awards made and the applicants that could not be awarded scholarships for want of provision.

From a perusal of the statement, it will be seen that out of the total provision of Rs. 56,280 per annum ( of 10 months) a sum of Rs. 56,200 has been awarded leaving a small balance of Rs. 8 per mensem or Rs. 80 for the whole year as against Rs. 60 per annum in the previous year.

Mahomedan pupils, whose cases had been considered under Backward Class Scholarships Scheme till the end of 1923-24 have now a separate fund known as "Mahomedan Scholarship Fund" ( Vide Government Order No. E. 3909-10—Edn. 148-23-2, dated 22nd February 1924) and the awards made to pupils of that community are not included in this report.

From the experience so far gained, the Scheme as modified by the Government Order quoted at the beginning of this letter has been working satisfactorily, thanks to the hearty co-operation of the several Taluk and District Committees.

Statement showing the allotment, applications received, awards made, etc., to pupils of the Backward Classes in the State in the several grades of Education under the Backward Class Scholarship Scheme during 1924-25.

## School of Engineering, Bangalore.

READ—

Government Proceedings No. 8703-5—Edn. 285-13-2, dated 23rd March 1914, ordering the levy of a fee of Rs. 3 each per mensem from Non-Mysorean students in the Mechanical and Electrical Engineering Sections of the School of Engineering, Bangalore, and a sum of Rs. 20 per annum for Workshop practice.

2. Government Order No. E. 4014-5—Edn. 102-21-30, dated the 26th December 1922, directing that Mysore students studying in the Mechanical and Electrical Engineering Sections of the School of Engineering may continue to be free and that Non-Mysorean students in these sections be not required to pay fees during the period of their practical training.

3. Letter No. H. C. 324—24-25, dated 14th March 1925, from the Inspector-General of Education, submitting a report in the matter of levying fees in the Mechanical and Electrical Engineering Sections of the School of Engineering, Bangalore.

ORDER NO. E. 7009-11—EDN. 136-24-18, DATED 30TH MAY 1925.

Under existing orders, no fees are levied at present from Mysorean students in the Mechanical and Electrical Engineering Sections of the School of Engineering, Bangalore, while Non-Mysorean students pay Rs. 3 each per mensem together with Rs. 20 per annum for Workshop practice. In the Civil Engineering Section fees are levied from Mysorean as well as Non-Mysorean students at the rate of Rs. 30 per annum and collected in eight monthly instalments of Rs. 3-12-0 each. Casual students who are ordinarily Mysoreans, pay a fee of Rs. 3 per mensem.

2. In view of the great demand for admission to the Engineering School, the Inspector-General of Education was requested to consider the feasibility of levying a fee in the school at Rs. 3 per mensem from Mysorean students and at Rs. 5 per mensem from outsiders and submit suitable proposals in the matter. He now reports that the Managing Committee of the School of Engineering who were consulted in the matter have resolved as follows:

(1) That a sum of Rs. 5 per month be levied from Non-Mysorean students seeking admission into the school and half the amount from Mysorean students with 30 per cent freeships as in the case of Colleges.

(2) That in order to make the Civil Engineering Section attractive to the school more attractive, and place it on the same footing as the Mechanical and Electrical Sections, five scholarships of Rs. 8 each be awarded to students in that Section every year.

3. While agreeing generally with the Committee in regard to the rates of fees, and the necessity of granting scholarships to make the Civil Engineering Section more attractive than at present the Inspector-General suggests the following modifications in the resolutions of the Committee:—

(i) that in view of the small number of students the number of scholarships in the Civil Engineering Section be fixed for the present at 6 of Rs. 8 each per mensem 3 in the first year and 3 in the second year;

- (ii) that the number of freeships be limited to 10 per cent of the total number of students, excluding Non-Mysoreans and scholarship holders; and  
 (iii) that all scholarship holders be free as in other Institutions.

He further states that the increase of cost in value of scholarships in the Civil Engineering Section amounting to Rs. 15 per mensem will be more than covered by the increased receipts under fees.

4. On a consideration of the proposals contained in the resolutions of the Committee and the modifications suggested by the Inspector-General, Government are pleased to direct that a fee of Rs. 2-8-0 each per mensem from Mysorean students and Rs. 5 each per mensem from Non-Mysorean students be levied for 12 months in a year in all the three Sections of the School of Engineering, *viz.*, Civil, Mechanical and Electrical Engineering. Casual students will pay Rs. 3 per mensem as heretofore.

The percentage of freeships will be 30 in the Mechanical and Electrical Engineering Sections and 20 in the Civil Engineering Section for the first two years and 20 and 10 respectively thereafter, the percentage being calculated on the total number of students in the respective sections exclusive of Non-Mysoreans and scholarship holders. Six scholarships of the value of Rs. 8 each per mensem will be awarded in the Civil Engineering Section 3 in each of the classes.

5. The above changes in the working of the Engineering school will come into effect from the next academical year.

B. RAMASWAMIYA,  
*Offg. Chief Secretary to Government.*

### **The Mysore Blue Book and Publicity Journal.**

READ—

Government Order No. G. 2529-40—G. M. 42-24-5, dated the 30th September 1924, directing that the concession of supplying copies of the Mysore Blue Book and Publicity Journal at half the usual rates be extended to Members of Municipal Councils and District Boards in the State and to Members of the Economic Development Boards.

2. Letter No. G. C. 927—24-25, dated the 13—16th March 1925, from the President, District Board, Tumkur District, forwarding for orders of Government a copy of the resolution passed at the meeting of the Taluk Board of Tiptur to the effect that the said concession be extended to the Members of Taluk Boards also.

ORDER No. G. 9162-82—G. M. 42-24-13, DATED 1ST JUNE 1925.

Government are pleased to direct that copies of the Mysore Blue Book and Publicity Journal be supplied to Members of Taluk Boards also at half the usual rates of subscription.

Letter No. 17030, dated 1st May 1925, from the Secretary, Mysore State Life Insurance Committee, forwarding for sanction the following Resolution of the Insurance Committee, amending the Resolution No. 8 of 10th December 1918 in the matter of payment of the Reversionary Bonus addition without the production of an Extension Certificate.

"Resolved that the opinion of the Law Department be accepted and resolution 8 of 10th December 1918 be suitably amended as follows:—

"In cases in which the Court has specifically empowered the holder of succession certificate to collect the dividends and interests, etc., the Reversionary Bonus Addition may be paid to the holder thereof without the production of any extension certificate. In other cases in which no specific mention is made of dividends, etc., in the certificates, the President is competent to authorise payment of Reversionary Bonus Addition without an extension certificate, provided the sum assured together with the Reversionary Bonus Addition does not exceed Rs. 2,000."

ORDER No. FL. 6512-4—G. F. 36-24-27, DATED 30TH MAY 1925.

The amendment proposed to the Committee Resolution of 1918 is approved.

M. N. KRISHNA RAO,  
*Financial Secretary to Government.*
